## ABOUT GIANT STEPS

**Giant Steps** offers life-changing experiences to people of all ages who live with a wide range of disabilities, as well as to veterans living with post-traumatic stress disorder. Each week our riders come from throughout the Bay Area to interact with their 1,000 pound "therapists" in a safe and secure environment to achieve goals never before dreamed possible.

Our program offers our riders a unique opportunity to focus *not on their limitations, but on what they can do*, and the results are extraordinary. We operate without state or federal funding, so rely on the generosity of private donors to continue to serve the most deserving members of our community.

## A MESSAGE FROM THE CO-CHAIRS

### Welcome to the 4th Annual Giant Steps Charity Classic gala.

We are honored and humbled by your continued support, and we thank you for joining us tonight.

2013 has been a year of growth for Giant Steps. We now serve a record number of riders who come to us from seven Bay Area counties to experience the benefits of therapeutic riding. We've launched partnerships with **Wounded Warriors and Swords to Plowshares** to serve veterans living with post-traumatic stress disorder. **Upwards of 200 community volunteers donate their time to our organization;** and since last year's gala, we have added new instructors, new board members and new horses to support our continued growth and impact in the coming year.

Likewise, Giant Steps Charity Classic has made great strides. In 2012, the **United States Hunter Jumper Association** honored Giant Steps Charity Classic with the **Member's Choice Award**; out of a total of 103 eligible shows, it was distinguished as one of the five best horse shows in all of California. This year, we are honored to welcome **Gucci** as the official presenting sponsor of Giant Steps Charity Classic. Additionally, we'd like to thank all of our sponsors for supporting us and helping make this year's Charity Classic a sold-out success. Without you, none of this would be possible.

Our ambition is for Giant Steps Charity Classic to be a highlight of your year, as it is ours. Tonight's gala, along with the horse show itself, profoundly impacts our ability to ensure our programs continue to thrive; and hopefully, will allow us to grow the number of children and adults we serve over the next twelve months. We receive no state or federal funding for our programs. **In 2012, this gala and horse show accounted for 40% of Giant Steps' annual budget;** so while we enjoy our fine food and wine, good company, and the thrilling Barclays' Six Bar competition, let us also reflect on our good fortune, and consider sharing a portion of it this evening. With fantastic lots available in our live and silent auctions, a fund-a-need in support of our scholarship fund and opportunities to join as Giant Steps volunteers, each of us can most certainly find a way to support our disabled peers.

On behalf of all Giant Steps' employees and volunteers, our riders, their families and caretakers, we thank you from the bottom of our hearts.

Ashley Herman & Kristin Loewenthal, Co-chairs

## FRITZ HATTON, Auctioneer

Fritz Hatton is the one of the nation's leading wine Auctioneers. His wine auction experience commenced in 1980, when he joined Christie's to help start its U.S. Wine Department. After a musical sabbatical in the early 1990s, he returned to Christie's and served as the Director of their U.S. Wine Department from 1995 to 1998. In this capacity and in partnership with the leading American wine retailer Zachys, he was responsible for the largest auctions of wine organized to date in the United States. In 2002 he joined the prominent retailer Zachys as auctioneer for its new solo wine auction venture and continues to serve as Zachys' principal auctioneer. Since 1983 Mr. Hatton has conducted charity auctions throughout the U.S., most involving wine in support of arts, educational, and medical charities.

In the fall of 1998 Mr. Hatton became a vintner when he returned to California to launch Arietta, a microbrand featuring handmade Bordeaux-styled Napa red wines. He now resides in Saint Helena with his wife Caren, eleven-year-old daughter Libby, and seven-year-old daughter Hattie. In rare moments away from selling wine, he pursues his hobby as an amateur classical pianist, and has recently performed with pianists Garrick Ohlsson and Emmanuel Ax, and the soprano Barbara Bonney.

### GOLDEN AUCTION TICKET

Purchase a Golden Auction Ticket for \$100 and secure a chance to win your choice of the Live Auction items before they go up for sale. Bidders may purchase as many Golden Auction tickets as they like, however, only 100 tickets will be sold. Bidder must indicate which live auction item they would select at the time of the ticket sale. The drawing will take place just before the Live Auction begins. Winner need not be present to win.

## AUCTION RULES

### All bidding requires a bid number.

Your personal bid number will be assigned when you arrive and is required for purchase of items. Neither Fritz Hatton, Auctioneer, nor Giant Steps makes representation of any kind or nature of any express or implied warranty with respect to the items offered at this auction.

### All items are sold "as is."

No guarantee is made to their value, function or genuineness. Most items offered are given an estimated value by the donor. This valuation is only an estimate and is not a guarantee of the object's resale value or its worth.

## SILENT AUCTION

- Each item has a bid sheet placed in front of it.
- Persons wishing to bid may do so by legibly writing their bid number and name on the bid sheet.
- There is no limit to the number of times a person can bid on an item.
- Please read the time specifications & restrictions carefully.
- Revisit each item frequently to check your bid and rebid if you would like.
- Each new bid must be written on the first available line on the bid sheet and must meet the 'minimum raise' shown on the bid sheet. Bids that do not meet the minimum raise will not be considered.
- Under no circumstances may any bid sheet be removed from the table.
- All written bids are final and may not be retracted.
- Silent Auction tables will be closed at specific times (see posted signs for closing times). The highest bid at the time of closing is the winning bid.
- The winning bidder need not be present at the time of closing. If you and another bidder are bidding on the same item when the auction is closing, a table monitor will ask each of you to write your final bids on a sheet of paper as a 'bid challenge'. The person with the highest bid will win the item.

## LIVE AUCTION

- To enter a bid, the bidding number should be raised with the bid number facing the auctioneer.
- Fritz Hatton, Auctioneer, will choose bidding increments and has sole discretion in resolving any disputes that may arise in the course of bidding. The Auctioneer reserves the right to disqualify or reject any bids made during or after the auction, for any reason. The Auctioneer is the only party allowed to determine that a bid has been placed. If the Auctioneer misses a bid, the missed party has no right to have the bid reinstated. Although items may be listed in a catalog as being available for bidding, the Auctioneer generally reserves the right to remove items from bidding at any time, for any reason.
- The successful bidder is responsible for making payment of the successful bid price to Giant Steps, and taking delivery of all purchases today, August 3, 2013. If you have not pre-registered your credit card, please proceed to the finance table before the end of the evening to pay for your item either by check, credit card or cash. Once an object has been legally transferred over to the winning bidder, Giant Steps, Sonoma Horse Park and Fritz Hatton ceases holding any liability over the object. Any damages incurred due to its use or misuse is the responsibility of the winning bidder.

### FAIR MARKET VALUE

Giant Steps is a non-profit 501(c)(3) corporation, thus payments in excess of the fair market value of the item may be considered a charitable contribution. Please refer to your tax advisor for further information.

Donations made directly to Giant Steps are 100% tax-deductible. The fair market value of auction lots as reported by donors is available upon request at the Registration Table.
